

# SONN WALL LIGHT

Designed and Handmade by Oliver Höglund & Ryan Roberts

Illuminate your space with the Sonn wall light, a petite and elegant clear glass-blown fixture perfect for enhancing bathrooms, hallways, and kitchen areas. Created as an adaptation of the Sora wall light, its distinctive half-sphere design renders it a captivating focal point that exudes elegance from every perspective. Tailor it to your preferences by selecting a wall plate finish of brass finish, matte black, matte white, medium bronze or steel finish and set the mood of your space with a choice of warm, warm white, or white LED temperatures. Meticulously hand-blown using premium Swedish clear glass, each piece carries the distinctiveness of SOKTAS Glass designs, promising an unparalleled and personalised lighting masterpiece that adds both elegance and character to your space.

Hand-Blown in Currumbin, Australia
